

## VALUE EDUCATION SEMINAR IN THE ACADEMIC SESSION 2017-2018

The college has taken initiatives to arrange Value Education seminars at regular intervals (once in a month) on different popular topics to generate awareness among the students on different contemporary issues. The lectures on various current problems are delivered by the faculty members of the college and students from different departments attend the value education classes with great enthusiasm. In the current academic session 2017-2018 so far, five value education classes have been conducted where faculty members from both Arts and Science Departments have spoken on different interesting and popular topics to generate consciousness among students on current problems of the society and how to lead positive roles in their lives.

**Dr. Mumu Chakraborty, Assistant Professor, Dept. Of Chemistry delivering her speech on 'Effect of Toxic Chemicals in Everyday Life' in the Value Education seminar held on 24.01.2018**

**Dr. Rajashree Dasgupta, Assistant Professor, Dept. Of Geography delivering her speech on 'Man-Resource Conflict under Climate Change Scenario -A Baseline study in a Coastal Environment of Indian Sundarbans' in the Value Education seminar held on 24.02.2018**

**Faculty Members and students from different Departments attending the Value Education Seminar**

**Miss Sangeeta Yonzon, Assistant Professor, Dept. Of Economics delivering her speech on 'Economic History of Mountain Railways' in the Value Education seminar held on 24.03.2018**
