

INTERNATIONAL MOTHER LANGUAGE DAY:

On 21st February, 2018, the college observed the International Mother Language Day in a college room. The wall of that room was decorated by a number of wall magazines. The respected Officer-In-Charge inaugurated the program by lighting a candle in honour of the freedom fighters. Students actively participated by performing "Shayari", songs in various languages. Two faculties performed two songs and other faculties delivered speech related to the importance of that day.
