### To whom It may Concern

In recognition of Letter No. 367/DDDDC/25, dated 17/03/25 received from Principal of Government Girls' General Degree College, I am pleased to certify the following teachers and students who had visited our Hospital OPD services on 22<sup>nd</sup> March 2025, as a part of their NSS 7-day Special Camp.

The eagerness to learn & their positive attitude was highly appreciable, specially regarding:

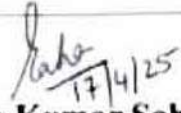

- Providing guidance service for outdoor patients including guiding visitors about hospital's procedures
- Helping in filling up hospital forms and application writing
- Extending help for reading doctor's prescription and similar other social activities

Over and above, they had also visited our Research Institute (including Labs) and showed immense interest & curiosity which were taken care of by our Senior Scientists.

I sincerely thank them for their efforts and will be happy to help such endeavors in future, to spread awareness amongst our younger generations regarding Cancer.
