 - b.) **Dr. Debolina Das** (Assistant Professor in Physics, Haldia Government College) was present in *online mode*.

Objectives: The seminar was organized to explore the concept of social justice and diversity as envisioned in the NEP-2020. The seminar provides a platform for students to exchange their views on implementing justice and diversity oriented practices in educational institutions. Different innovative strategies and best practices were discussed in this programme to create awareness among teachers about multiculturalism and diversity in the classroom.

Brief Report: The programme was coordinated by **Dr. Susmita Basu**, Assistant Professor and Head of the Department of Education. It began with a welcome address by **Dr. Debaprasad Banerjee**, Associate Professor and Head of the Department of

English, who introduced the distinguished resource persons. **Dr. Angshuman Sarkar**, Associate Professor and Head of the Department of Sociology, also addressed the audience and highlighted the major provisions of NEP-2020 related to equity and inclusive practices. **Prof. Sutapa Bose**, Assistant Professor in the Department of Education, felicitated the resource persons.

During the presentation, **Dr. Chakraborty** and **Dr. Das**, the invited resource persons, discussed practical strategies for teachers and institutions to strengthen diversity and inclusive practices within the educational landscape.

The programme concluded with a vote of thanks delivered by **Dr. Koel Adhikary**, Convenor of the Seminar Sub-Committee and Assistant Professor in Physics.

Outcomes:

“Empowering Society through Justice and Diversity: Insights from NEP-2020” ----- An invited lecture programme was held on this topic.

The programme generates the following outcomes:

- ❖ Participants gained a clear understanding about how to NEP-2020 promotes justice, equity and inclusiveness in our educational system.
- ❖ Both the sessions generates knowledge about diversity and multiculturalism.
- ❖ The programme highlighted various practical strategies for inclusive teaching practices like use of differentiated instructional strategies, project beads learning etc.
- ❖ The programme the faculty members to adopt inclusive practices in their classroom teaching areas.

Finally, the programme coordinator briefly highlighted the importance the justice, equity and diversity in the contemporary educational landscape. An interactive question-answer session followed by the lecture was conducted. The programme successfully enhanced the significance of justice and diversity in the educational landscape.

FEEDBACK: The resource persons of this programme provided their valuable feedback. Students who attended this programme also shared their feedback that both the session were very informative and easy to understand.
