Sub – Association with Govt. Girls General Degree College to support the Graduates with employability skills and helping them get into a sustainable job opportunity.

Established in 2001, Magic Bus India Foundation works with children and young people from underserved communities, taking them from a childhood full of challenges to a life with meaningful livelihoods. We equip young people with the skills and knowledge they need to grow up and move out of poverty.

Our youth centered Livelihood Program connects the aspirations and potential of young people to available market opportunities. We build their employability skills and map job potential based on individual strengths and mobility.

We work with support structures: parents, the community at large and local institutions to ensure results in social, emotional and economic wellbeing for all young people living in that area. Our approach mobilizes the entire ecosystem available to the child or youth to create informational change in their lives.
