Perspectives and Scopes of Film Making

March 2019

A seminar was organised by Cine Club, NSS unit and IQAC, Government Girls' General Degree College, Kolkata on "Perspectives and Scopes of Film Making" on March 26, 2019. Mr. Raja Sen, a renowned director of feature films and documentary films, talked about the perspectives and scopes of film making. He also shared his experience as a film director with the audience. The seminar helped students create an understanding about cinema. It helped students build a keen interest in writing scripts, editing, acting or directing film as their career in future. The seminar concluded with a documentary film, directed by Raja Sen, on Tapan Sinha, the famous director. The programme was attended by 15 faculty members and 22 students.
