Value Education Seminar on “Enhancing capabilities through Education”

A Value Education Talk on ‘Enhancing capabilities through Education’ was organized by U.G.C., Value Education and Seminar Subcommittee on 2nd September, 2019. Mr. Sabir Ahamed, National Research Coordinator, Pratiche Institute, Kolkata spoke on the significant role of higher education in transforming impoverished conditions of life. In the first segment of his lecture, Ahamed focussed on how education can influence economic, social and cultural factors in the life of an individual; in the second segment, he elucidated his points through few case studies. Instances of minority women, from humble background, achieving success in life by dint of education, helped to instil self- belief among the students. The purpose of the instances was to encourage the students to continue their pursuit of higher studies. Faculties and students interacted with the Chief Speaker and shared their views on the topic discussed.
