Event: Visit to the Vidyasagar State General Hospital

Date: 12.03.2026

A hospital visit was organized by NSS Unit 1 on 12th March 2026 with the objective of providing assistance and support to patients and their attendants. The visit aimed to promote social responsibility and develop a sense of empathy among the volunteers. This year NSS unit -1 visited Vidyasagar State General Hospital for this purpose.

The primary objectives of the visit were:

- Providing guidance services for outdoor patients, including guiding visitors about hospital procedures.
- Helping patients in filling up hospital forms and writing applications when required.
- Assisting patients in reading and understanding doctors' prescriptions and engaging in similar social service activities.

Visit to the administrative block

The programme was conducted under the supervision of Dr. Mumu Chakraborty. The other members and volunteers were present and actively participated in this programme. During this visit our team visited different sections and observed their activities. Our volunteers visited admission desk, eye OPD, emergency, maternity ward and other OPD departments. The volunteers interacted with the hospital staff in a very polite and helpful manner

Students visited the EYE OPD

Students Interaction with the hospital staff

The hospital authorities appreciated this initiative. The visit proved to be a meaningful experience for the volunteers, enhancing their communication skills, sense of responsibility, and commitment to community service.
